To yiayia

"I hope you get better, love you always from the bottom of my heart. Wish I could do something to help you, to make you feel better all the time not just today or any day. I want you to know that I love you always. Always need to say something nice to you. So I can help and be kind"

Love you from Alexandra (One of Toula's five grandchildren 7 years old)

Toula was born in the small town of SYLEVENA in Greece. She migrated to Australia in 1956 full of dreams and ambitions of a new life in a great Country. She married her childhood sweetheart in 1959, and had two sons. Toula balanced the pressures of hard work and raising a family in a new Country without hesitation. Toula was a kind and loving person who always enjoyed life to the fullest. Diagnosed with ovarian cancer in 1996 she courageously battled the disease, never losing hope or her love of life. Never a person to complain about her pain and with her positive outlook on life she gave strength to all that know her. Toula passed away on the 17<sup>th</sup> October 2003 never once losing her loving and caring attitude. She has gone and yet she is still here in our hearts and our thoughts. We love you Mum, Wife, Grandmother, Sister, Aunty, friend.
